The Cedar Ridge complex is situated in one of the most sought-after ski in/out locations, right underneath the Excalibur Gondola. There is direct ski access to both the Whistler Village Gondola (Whistler Mountain) and the Excalibur Gondola (Blackcomb Mountain).

This property has recently been upgraded and features a spacious 1800 square foot open-plan living, dining and kitchen area, with patio doors from the dining room through to the balcony where there is a private hot tub and views of Whistler village. With 3 bedrooms and den plus 3 and a half bathrooms, this property can comfortably accommodate up to 7 people.

This home also features a secure garage for 1 car and driveway parking for a second. There is a fully equipped kitchen if you wish to self-cater but it is also within walking distance of Whistler Village and Blackcomb base (Upper Village), where you will find numerous bars and restaurants. Alternatively, there is a bus service with a stop at the entrance of the Cedar Ridge complex that will transport you to the Village and the ski lifts.
