The Heights of Taluswood, high on Whistler Mountain, has stunning unobstructed views of the Dave Murray downhill ski run and easy access to the lifts. This home is extremely popular with those visitors looking to completely get away, surrounding themselves in luxury, privacy and clean mountain air. If you really want to get away from it all this is the place for you.

This C\$2.5 million beautiful, detached home is constructed in the log and beam style with 5 bedrooms, 3.5 bathrooms and is the ideal retreat. It is just 80 metres to a ski run down to the Creekside Gondola.

The home is 2600 square feet with a two-car heated garage, wood burning fireplace, gourmet kitchen with granite counters, stainless steel appliances and a Sub Zero fridge/freezer. There are heated slate floors in the kitchen and bathrooms, hardwood floors in the living and dining area, surround sound entertainment in both the lounge and master bedroom and a large private outdoor hot tub.
