3 + loft Bed – 3 Bath

This 3 bedroom + loft, 3 bathroom, privately owned townhouse is nestled in the woods above the south end of Whistler Village and affords a lovely mountain view and easy ski in/out access to Whistler Mountain. A short, well maintained and lit pathway gives easy access to Blackcomb Mountain lifts, the village shops and other amenities.

The rustic cedar covers walls provide a casual feel suitable to a mountain retreat. Country style furnishings, wooden venetians and wood laminate floors are set off by a high beamed ceiling to an open loft.

The townhome spreads out over three levels. The living room features a floor to ceiling stone fireplace, TV and stereo. The kitchen boasts granite counters, stainless steel appliances and all the necessary gadgets and accoutrements for gourmet cooking and dining. The pine dining table extends to seat 8 comfortably.

Down on the lower level you will be pleasantly surprised to find a full sauna to rest those tired muscles after a long day on the mountain as well as a full laundry.
