Village: 10 Min Drive
Bedrooms: 4
Bath: 4
Max. Capacity: 8
Square Footage: 2200 sq ft

This beautiful 4 bedroom, 4 bathroom home is built in the classic log and beam style and with it's contemporary interior design, it makes for a wonderful vacation retreat. It is located high on Whistler Mountain and is a ski in, ski out property with spectacular views of the peak and West Bowl, as well as out across the valley from it's elevated location.

The home is furnished to the highest standards and combines luxury and comfort with a prime ski in, ski out location, just 40 meters from a ski run down to the Creekside Gondola.

There have been considerable upgrades to this home to make it one of a kind, including slick contemporary finishes throughout, an Italian kitchen & closets, luxury bathrooms with limestone countertops & flooring, a steam shower, oversized soaker tubs and custom cabinetry.

The home is 2,200 square feet and includes a heated double garage. It features 4 private decks, a fully equipped gourmet kitchen and a private hot tub.
