Village:	5 min walk
Bedrooms:	4
Bath:	3
Max. Capacity:	9
Square Footage:	1600 sq ft

Telemark is located just behind the Westin Resort & Spa in Whistler Village. It is a perfect family home for those wishing to experience a calm and comforting winter or summer vacation escape. All the Village amenities are located within easy walking distance. This unit is undergoing a complete renovation in preparation for the 2009/10 season and will be re-fitted to a high specification.

The Telemark condo's are some of the most convenient properties in Whistler and are one of our favourite secrets. If you are looking for a 4 bedroom with both slope and village access then this one is hard to beat! It offers easy ski-in, ski-out access to both mountains as well as being very close to the main village – a rare occurrence!
